

Trabue D. Bryans – curriculum vitae – FEB 2012

- EDUCATION:** University of Georgia, B.S. Microbiology, 1975
Medical College of Georgia, M(A.S.C.P.) Certification, 1978
Georgia State University, selected M.B.A. course work 1981-82
- EXPERIENCE:** Medical College of Georgia, 1977-1978, Medical Technologist
MacMillan Research, 1975-1991, Chief Microbiologist, Director of Microbiology, Vice President
NAMS, 1991-1992, General Manager; 1992-1993, Coordinator of Technical Services
Practical Consulting and Training, 1993-1995, President
Axios, 1995-1997, President
ViroMed Biosafety Laboratories (formerly Axios), 1997-2001, V.P. & G.M.
AppTec Laboratory Services (formerly ViroMed), 2001-2008, Exec. V.P. & G.M.
WuXiAppTec (formerly AppTec), 2008–2011, V.P. & G.M. Atlanta Div., VP of RA/QA & Svc. Development
BryKor LLC, President, Jan 2012 - present
- ACHIEVEMENTS:** A.S.C.P. Registered Microbiologist, 1978
M.R.I. Certification, Asbestos & Particle Identification, 1984
Environmental Protection Division, GA, Water Lab Certification, 1985
I.S.O. Internal Auditor Certification, A.S.Q.C., 1994
A.A.T.C.C. Antimicrobial Activity Committee, 1986-2004
A.S.Q.C. / F.D.A. Biomedical Focus, speaker, 1989, 1998, & 1999
H.I.M.A. Sterilization 2000, speaker, 1994
A.A.M.I. Co-chair, Microbiological Methods Committee, 1992-2006
I.S.O. TC/198 U.S. Expert/Delegate, Microbiological Methods, since 1993
A.A.M.I. Sterilization Standards Committee, Executive Board, since 2000
F.D.A. Industrial Sterilization Course, instructor, 1987, 2001 & 2003
MDS Nordion Gamma Sterilization Seminar, speaker, 2002
A.A.M.I. Board of Directors, 2002-2008
M.D.D.I. Magazine, Editorial Advisory Board, 2003-2007
A.A.T.B. Standards Committee, 2004-2006
Pharma Conference, Validation Workshop instructor, New GTPs, 2005 & 2007
A.A.M.I. Webinar on Reprocessing Medical Devices, Instructor, 2006
AAMI / AATB Course, Radiation Sterilization of Tissues, Instructor, 2008
A.A.M.I. Standards Board, 2008-present
A.A.M.I. Co-chair, Sterility Assurance Level Committee, 2008-present
China S.F.D.A. Radiation Sterilization Course, instructor, 2009
A.A.T.B. Scientific & Technical Affairs Committee, 2009-2011
A.A.M.I. Co-chair, Radiation Sterilization Committee, 2010-present
A.A.M.I. Standards Developer Award, 2010
A.A.M.I. Committee on Standards Strategy, 2010-present
I.S.O. TC/198 U.S. Expert/Delegate, Radiation Sterilization, since 2011
I.M.R.P. Radiation Conference, speaker, 2011
- PUBLICATIONS:**  *Validating Radiation Sterilization*, M.D.D.I., December 1992
 *There's A Fungus Among Us*, The Validator, March 1994
 *Investigating AAMI Radiation Audit Results*, M.D.D.I., May 1994
 *Industry's Struggle With Pyronema*, M.D.D.I., October 1994
 *Using Bioburden Spikes in Radiation Dose Setting*, The Validation Consultant, Jan 1996
 *Industry Responds to Pyronema domesticum: HIMA Screening Studies*, M.D.D.I., Sep 1997
 *Radiation Sterilization—Current Validation Methods*, Journal of Validation Technology, Nov 1999
 *Dose Audit Action for Product Families*, Nordion 6th GPS paper, June 2002
 *Using Recovery Tests to Assess Bioburden Procedures*, M.D.D.I., Oct 2002
 *Bacterial Endotoxin Testing: A Report on the Methods, Background, Data, and Regulatory History of Extraction Recovery Efficiency*, BI&T, Jan/Feb 2004
 *A Comparison of Incubation Periods for Bioburden Isolates*, BI&T, Jan/Feb 2006
 *Evaluation of the Sterility Test for Detection of Microbial Contaminants of Allografts*, Cell & Tissue Banking, March 2006
 *Sterility Assurance Levels for Terminal Sterilization of New/Emerging Healthcare Products*, CDC 5th Decennial Conference, March 2010
